#### Please read this section carefully.

If you die before taking all your retirement savings under your plan, the value of your plan will be paid out in accordance with the rules of The Royal London Personal Pension Scheme (No 2) or The Royal London Stakeholder Pension Scheme (No 2).

We (Royal London, the administrator of the above scheme) will use our discretion when deciding who should receive the value of your plan in the event you die before taking all your retirement savings. You can use the table below to tell us who you would like your retirement savings to be passed onto. Any nomination is not legally binding but we'll seek to follow your wishes. We will however, make changes if we feel it is right to do so. For example if your personal circumstances had changed since you last updated your beneficiaries, such as divorce or separation. It's therefore very important that you let us know if you wish to change your nomination at any point.

By distributing the value of your plan in this way, it means that the payment will not normally be subject to inheritance tax.
