**IMPORTANT CHANGES TO YOUR ROYAL LONDON INVESTMENT PLAN NUMBER[S]: [POLREF] , [POLREF], RLP/UBS UK EQUITY**

Dear [CLIENT\_TTL][CLIENT\_CLISUR]

Your pension plan is currently invested in the above fund. UBS have announced that they are to merge this fund into the UBS UK Equity Tracker fund. As such, we have decided to remove this fund from our fund range and switch your investment into RLP UK Equity. This change will take place week commencing xxx.

As part of this change we are endorsing your plan to update your terms & conditions. You can find details of the changes in the enclosed endorsement notice.

**You should consider whether this is an appropriate investment for you.** For information, we have enclosed a leaflet showing both funds so you can be comfortable that we are taking appropriate action.

We have a range of other equity funds available and if you are unsure about the best course of action you should speak to your financial adviser.

**What will happen next?**

The change will take effect from week commencing xxx and the switch will be automatically applied to your investment[s]. At this time you will receive an automatically generated switch letter confirming that the change has gone ahead.

**Why are we making this change?**

UBS have made the decision to close the underlying UBS UK Equity fund and merge the fund's assets into the UBS UK Equity Tracker fund. This is due to a reduction in the fund size which makes the fund no longer commercially viable to manage. The UK Equity Tracker fund has a different investment objective and we feel that the best course of action is to close the fund rather than allow existing policyholders to invest in the new fund.

**What other options are there?**

You can choose another investment option available to you under your plan. Full details can be found at [www.royallondon.com](http://www.royallondon.com)
