
Plan details for the Personal Protection Menu (April 2010)

This booklet sets out the terms and conditions of your plan - how it works, what you can expect us to do, and what we expect you to do.

Bright Grey is a division of Royal London. The Royal London Group consists of The Royal London Mutual Insurance Society Limited and its subsidiaries.

These terms and conditions are part of the contract between you and Royal London, on behalf of Bright Grey. The contract is governed by the following documents:

- this booklet
- each cover summary we give you which refers to the plan details for the Personal Protection Menu (April 2010)
- any endorsements to these terms and conditions that Bright Grey gives you
- the key facts document we send to you when your plan starts.

All of these documents are proof of the terms of the contract and are important. Please keep them in a safe place.

We give this booklet to everyone when they buy a Personal Protection Menu plan. Not only will it give you all the details about the covers you have bought, it will also give you important information about keeping your payments up to date, what to do if you want to make a change, and how to go about making a claim. It provides details of your plan, subject to any additional features shown in your cover summary.

It can also be used by customers who are thinking about buying a Personal Protection Menu plan and want more detailed information.

SECTION A:

About the Personal Protection Menu

In this section we tell you about your plan, the options available and how to tell us about changes

This section of the plan details gives you an overview of the different covers that make up the Personal Protection Menu and what options are available for these covers. Unlike the rest of the booklet, it is not part of the plan's legally binding terms and conditions.

Please contact us as soon as possible if you are claiming on a cover so that we can deal with your claim as quickly as possible.

A2 The covers

The Personal Protection Menu offers a range of covers. You can choose just one cover, or a combination, to suit your own particular situation. And as your needs change, you will be able to add or remove or adapt your covers so that they provide exactly what you need.

The cover	When it pays out
Life Cover	if someone dies or is diagnosed with a terminal illness
Critical Illness Cover	if someone becomes critically ill
Life or Critical Illness Cover	if someone dies, is diagnosed with a terminal illness or becomes critically ill
Income Cover for Sickness	if someone cannot work because of illness or injury
Payment Cover for Sickness	if someone cannot work because of illness or injury, we will pay their plan payments for them. We automatically include this if you choose Income Cover for Sickness

If you are deciding what cover you need, the first thing to do is choose one or more covers from the list above. You can find all the details about these covers in this booklet. Once you have chosen your covers, you can apply using just one application form. The covers you have chosen will then be grouped into one plan. Your plan will represent the protection you have with Bright Grey.

For tax reasons, some covers cannot be combined with others in the same plan. If this happens, these will be set up separately using a different plan number to the other covers. Each one will also be detailed on a separate cover summary (this is the document we send you confirming the cover you have bought).

After we have paid a claim for Life Cover, Critical Illness Cover, or Life or Critical Illness Cover, the cover is cancelled and we will not make any further payment.

B1.1 When we will pay a claim – continued

What's shown in your cover summary

If your cover summary shows you have Income Cover for Sickness

When we will pay a claim

We will start paying this cover if the person covered is diagnosed as being incapacitated for a continuous period longer than the deferred period shown in your cover summary, during the term of your cover.

We will continue paying this cover until the earliest of the following events happens:

- the person covered is no longer incapacitated;
- the person covered returns to any work;
- the cover payment period ends, if one is shown in the additional features of your cover summary;
- the cover ends; or
- the person covered dies.

We may ask the person covered to be examined by a doctor or relevant allied health specialist of our choice. We may ask for any other reasonable evidence we need to consider the claim, or to confirm that the person covered remains incapacitated.

Connected claims

A connected claim happens if we start to pay a claim, and the person covered then goes back to work but has to stop work again within the next 26 weeks. We will treat the further period of incapacity as a connected claim and start to pay the cover straight away provided that:

- the person covered did not go back to work against the advice of their doctor;
- the person covered is incapacitated from the same cause as the original claim;
- the person covered is still working in the same occupation at the time the further period of incapacity starts; and
- you tell us within 2 weeks of the date the person covered stops work again.

We will only pay a connected claim for the remainder of the cover payment period if:

- there is a cover payment period shown in the additional features; and
- the person covered returns to work within this period.

We will calculate the remainder as the cover payment period less the number of months for which your claim was paid before the person covered returned to work.

If there is a cover payment period shown in the additional features and the person covered returns to work after the end of this period, we will not pay any further claim for any cause until the person covered has returned to work continuously for at least 26 weeks.

SECTION B: Payment of claims – continued

B1.1 When we will pay a claim – continued

What's shown in your cover summary

When we will pay a claim

If your cover summary shows you have Payment Cover for Sickness

We will start paying this cover if the person covered, or if there are 2 people covered, either of them, is diagnosed as being incapacitated for longer than the deferred period, during the term of your cover.

For the avoidance of doubt, if there is more than one person covered and both people covered are diagnosed as being incapacitated at the same time, we will only cover the payment once.

We will continue paying this cover until the earliest of the following events happens:

- the person covered is no longer incapacitated;
- the person covered returns to any work;
- the cover ends; or
- the person covered dies.

We may ask the person covered to be examined by a doctor or relevant allied health specialist of our choice. We may ask for any other reasonable evidence we need to consider the claim, or to confirm that the person covered remains incapacitated.

Connected claims

A connected claim happens if we start to pay a claim, and the person covered then goes back to work but has to stop work again within the next 26 weeks. We will treat the further period of incapacity as a connected claim and start to pay the cover straight away provided that:

- the person covered did not go back to work against the advice of their doctor;
- the person covered is incapacitated from the same cause as the original claim;
- the person covered is still working in the same occupation at the time the further period of incapacity starts; and
- you tell us within 2 weeks of the date the person covered stops work again.

SECTION B: Payment of claims – continued

B1.2 When we will not pay a claim – continued

What's shown in your cover summary

When we will not pay a claim

If your cover summary shows you have **Income Cover of Sickness**

We will not pay a claim if:

- it is the result of intentional self-inflicted injury;
- it is the result of an excluded cause shown on your cover summary;
- the person covered does not meet the definition of incapacitated in section D; or
- if any medical or other evidence is not supplied when we ask for it.

If the person covered is permanently resident outside of the United Kingdom, Channel Islands or Isle of Man:

- we will cancel the cover and not pay any claim.

You must therefore tell us if the person covered no longer lives in the United Kingdom, Channel Islands or Isle of Man.

If the person covered is temporarily resident outside of the United Kingdom, Channel Islands or Isle of Man, (for example, because they are travelling on business or for pleasure, or because they have taken up a temporary secondment with the same employer):

- we will only pay a claim for a maximum of 12 months, unless they permanently return to the United Kingdom, Channel Islands or Isle of Man.

You must therefore tell us if the person covered temporarily leaves the United Kingdom, Channel Islands or Isle of Man.

If your cover summary shows you have **Payment Cover for Sickness**

We will not pay a claim if:

- it is the result of intentional self-inflicted injury;
- it is the result of an excluded cause shown on your cover summary;

B1.3 How much we will pay - Life Cover, Critical Illness Cover and Life or Critical Illness Cover – continued

What's shown in your
cover summary

How much we will pay

Cover payable as a decreasing lump sum, and the additional features show that the mortgage repayment guarantee applies

If

- you took out this cover in connection with a capital and interest loan or mortgage;
- the term of the loan or mortgage is the same as the term of the cover at the date cover started;
- the amount of the loan or mortgage was the same as the amount of cover shown on your cover summary on the date cover started; and
- if you change the amount or term of the loan or mortgage you also change the amount of cover or term of the cover by the same amount;

subject to the conditions below, we will pay a lump sum equal to the amount outstanding under the loan or mortgage at the date the claim becomes payable less any arrears of capital or interest. You will be liable for any arrears, as they are not covered under this plan.

If

- any of the above do not apply;
- the loan or mortgage repayments have been suspended for a period, reduced or increased, other than as a result of an interest rate change; or
- you have repaid the loan or mortgage at the time of the claim;

we will pay a lump sum equal to the amount that would have been outstanding on a capital and interest loan or mortgage if:

- the loan or mortgage was equal to the amount of cover on the date cover started;
- it had a term equal to the term of the cover;
- it had a yearly interest rate equal to 6%; and
- equal monthly repayments sufficient to repay the loan or mortgage over the term of the cover had been made between the date the cover started and the date the claim becomes payable.

The amount of cover will therefore decrease each month.

The amount of cover may not be sufficient to pay off the loan or mortgage if the interest rate of the loan or mortgage has changed.

B1.3 How much we will pay - Life Cover, Critical Illness Cover and Life or Critical Illness Cover – continued

What's shown in your cover summary	How much we will pay
<p>Cover payable as a decreasing lump sum, and the additional features show a mortgage interest rate</p>	<p>We will pay the amount that would have been outstanding on a loan or mortgage if:</p> <ul style="list-style-type: none">• the loan or mortgage was equal to the amount of cover on the date cover started;• it had a term equal to the term of the cover;• it had a yearly interest rate equal to that shown in the additional features; and• equal monthly repayments sufficient to repay the loan or mortgage over the term of the cover had been made between the date cover started and the date the claim becomes payable. <p>The amount of cover will therefore decrease each month.</p> <p>The amount of cover may not be sufficient to pay off the loan or mortgage if the interest rate of the loan or mortgage has changed.</p>

We work out the amount of cover from the date the claim becomes payable. We will not take into account any change to the amount of cover after this date.

SECTION B: Payment of claims – continued

B1.3 How much we will pay - Children's Critical Illness Cover

What's shown in your cover summary

If your cover summary shows you have Critical Illness Cover, or Life or Critical Illness Cover, your cover automatically includes Children's Critical Illness Cover

How much we will pay

For any main cover in force at the time Children's Critical Illness Cover becomes payable, we will pay whichever of the following amounts is lower:

- if the main cover is payable as a lump sum, 50% of the amount of cover shown on your cover summary; or
- if the main cover is payable as regular payments, 50% of the amount of cover shown on your cover summary, multiplied by the remaining term of the cover; or
- £20,000

If your plan includes more than one main cover, the limits detailed above apply to the total amount of all these covers, and we will make only one payment for any child.

If you have more than one plan with us on the life of the same person, and these provide the same or similar Children's Critical Illness Cover, the above limits apply across all such plans, and we will make only one payment for any child.

If you have more than one plan with us on the lives of different people and these provide the same or similar Children's Critical Illness Cover, the above limits apply across all such plans on the life of each of those people, and we will make a maximum of two payments for any child.

We will work out the amount of cover as at the date the claim becomes payable. This means that if your main cover is payable as a decreasing lump sum, the amount of Children's Critical Illness Cover will be based on the amount your main cover has decreased to at that time. Any change to the amount of cover after this will not be taken into account.

How much we will pay - Income Cover for Sickness

What's shown in your cover summary

Level regular payments

How much we will pay

We will pay 1/12th of whichever of the following amounts is lower:

- the amount of cover shown on your cover summary; or
- the pre-incapacity earnings of the person covered multiplied by the maximum percentage of pre-incapacity earnings shown in the additional features of your cover summary.

B1.3 How much we will pay - Income Cover for Sickness

What's shown in your cover summary	How much we will pay
Increasing regular payments	<p>We will pay 1/12th of whichever of the following amounts is lower:</p> <ul style="list-style-type: none">• the amount of cover shown on your cover summary or the amount we have written to tell you following an increase, whichever is greater; or• the pre-incapacity earnings of the person covered multiplied by the maximum percentage of pre-incapacity earnings shown in the additional features of your cover summary. <p>This amount of cover will continue to increase on each anniversary of the date the plan started by the rate shown in the additional features.</p>

If at the time of a claim the person covered is not in work, the amount we will pay is also subject to a maximum of £1,400 a month.

We will pay this monthly in arrears.

If you have any other plan with us or with any other company which provides what we judge to be similar covers, we will reduce the amount we pay by the total amount of cover from all such plans.

Similar covers include, but are not limited to, any other plan that in the event of incapacity of the person covered:

- replaces all or part of the pre-incapacity earnings of the person covered;
- makes payments to any mortgage, loan, credit agreement or credit card on behalf of the person covered; or
- makes contributions to any pension arrangement on behalf of the person covered.

If the person covered continues to receive earnings from any form of employment or self-employment or payments from any pension arrangement while they are incapacitated, we will reduce the amount we pay by the total of all such earnings or pension payments.

How much we will pay if the person covered goes back to their own occupation on a part-time basis

If we have been paying a claim, and the person covered goes back to work in their own occupation but on a part-time basis with reduced earnings as a direct result of their illness or injury, we will pay a reduced amount of cover. We will use the following formula to work out the reduced amount of cover:

$$\frac{(\text{pre-incapacity earnings} - \text{reduced earnings}) \times \text{normal cover}}{\text{pre-incapacity earnings}}$$

In this formula 'normal cover' means the amount of cover we would pay if the person covered remained incapacitated and was not working. Where the reduced earnings vary the amount paid under this cover will also vary. We will need evidence of the reduced earnings.

SECTION B: Payment of claims – continued

B1.3 How much we will pay - Income Cover for Sickness – continued

We will pay this reduced amount provided that the person covered:

- goes back to work for less than 30 hours each week;
- was working for more than 30 hours each week prior to their incapacity; and
- has earnings from part-time work which are less than their earnings when they became incapacitated.

We will continue to pay this reduced amount of cover until the earliest of the following events happens:

- the person covered returns to work full-time;
- the earnings from part-time work of the person covered are more than their pre-incapacity earnings;
- we have paid this reduced amount of cover for a period of 12 months;
- if there is a cover payment period shown in the additional features, the cover payment period ends;
- the cover ends; or
- the person covered dies.

How much we will pay if the person covered goes back to work in a different occupation

If the person covered is incapacitated, but returns to work in a different occupation with lower earnings, we will pay a reduced amount of cover. We will use the following formula to work out the reduced amount of cover:

$$\frac{(\text{pre-incapacity earnings} - \text{reduced earnings}) \times \text{normal cover}}{\text{pre-incapacity earnings}}$$

In this formula 'normal cover' means the amount of cover we would pay if the person covered remained incapacitated and was not working. Where the reduced earnings vary the amount paid under this cover will also vary. We will need evidence of the reduced earnings.

We will pay this benefit provided that the person covered:

- remains incapacitated; and
- has earnings from the different occupation which are less than their earnings when they became incapacitated.

We will continue to pay this reduced amount of cover until the earliest of the following events happens:

- the earnings from the different occupation of the person covered are more than their pre-incapacity earnings;
- if there is a cover payment period shown in the additional features on your cover summary, the cover payment period ends;
- the cover ends; or
- the person covered dies.

We work out the amount of cover as at the date of diagnosis of incapacity. We will not take into account any change to the amount of cover after this date, other than those under section C3.1 increasing cover.

If you, or those representing you, think that you have a valid claim on your plan, you or they should:

- 1 Phone us on 0845 6094 500;

Depending on the nature of the claim, we may need one or more of the following:

- the birth, marriage or death certificate of the person covered;
- any other evidence of a change of name;
- medical evidence relating to the person covered which may include full medical records;
- evidence of the income of the person covered;

All diagnoses must:

- be made by a consultant at a hospital within the geographical limits shown below who is a specialist in an area of medicine appropriate to the cause of the claim;
- be the first and unequivocal diagnosis of a terminal illness, a critical illness or Total Permanent Disability; and
- be confirmed by our chief medical officer.

C1.1 How to make a claim – continued

There are further restrictions for payment of Income Cover for Sickness which are set out in section B1.2.

We reserve the right to stop paying a claim, or not to pay it, if you do not provide any evidence we ask for or the information that is provided is inaccurate or incomplete.

By submitting your completed application form, you warrant that the information you have given us is complete and honest, especially in relation to our questions about the health of the person covered. You agree to tell us if there is any change to the information you have given us between the date you completed your application form and the date we assume risk on your plan. If, when you make a claim, we find out the information you gave us was inaccurate or incomplete, we reserve the right to stop paying a claim or not to pay it.

C1.2 Who we will pay the cover to

We will pay the cover to the person legally entitled to receive it. This will depend on the nature of the claim, your circumstances at the time and whether the plan has been assigned or put under trust.

Normally we will pay the cover to the plan owner or their personal representatives, if the plan owner has died. Personal representatives must send us an original Grant of Representation or Confirmation before we will pay any cover to them. We will return this when we pay the claim.

If the plan has been assigned we will pay the cover to the assignee. Assignees must send us the original deed of assignment before we will pay any cover to them.

If the plan is under trust, we will pay the cover to the Trustees. The Trustees must then follow the terms of the Trust to distribute the money to the chosen beneficiaries. Trustees must send us the original Trust Deed and any deeds altering the Trust before we pay any cover to them. We will return these when we pay the claim.

SECTION C: Operating your protection plan – continued

C2 Your payments for your plan

C2.1 When you need to make payments for your plan

First payment

Your first payment becomes payable on the date your plan starts. We will collect this on or shortly after the date the plan starts, by direct debit or any other means that we have agreed with you.

Last payment

The date of the last payment is shown on your cover summary. Payments for any cover will also end if the cover is cancelled.

All other payments

If you are paying monthly:
you must make a payment each month between the first payment and the last payment. These payments are payable on the same day each month as the day your plan starts. You can ask us and we may agree to collect your payment on any other day of the month between the 1st and 28th day you choose.

If you are paying yearly:
you must make a payment each year between the first payment and the last payment. These payments are payable on the same day each year as the date the plan starts. You can ask us and we may agree to collect your payment on any other day you choose within the same month.

C2.2 What happens if you do not make your payment

If you do not make your first payment, your plan will not start and you will not be covered.

If a subsequent payment remains unpaid for more than 5 weeks from the date it is payable, we will cancel your plan and you will no longer be covered. We will write to you to confirm that your plan is cancelled.

C2.3 Restarting your plan

If we cancel your plan because you did not make your payment, you may ask us to restart your plan. When you ask we will tell you what we need to restart your plan. There may be times when we are not able to restart your plan. If this happens, we will explain our decision to you.

C2.4 When and how we may change your payment to us

Guaranteed payments for covers which are payable as a level lump sum or as level regular payments

We guarantee that provided payments are paid on time, your payment for this cover will not change unless you request a change to the cover.

Guaranteed payments for covers which are payable as an increasing lump sum or as increasing regular payments

We guarantee that provided payments are paid on time, your payment for this cover will not change, apart from the changes described in section C2.5, unless you request a change to the cover.

Reviewable payments

We guarantee that your payments for this cover will not change for at least the number of years shown on your cover summary from the date the cover started. At the end of this period we will review the payment for this cover each year.

In working out your payment for a cover we make assumptions about certain factors.

These factors are:

- the future level of claims we pay,
- the amounts of money we will pay to reinsurance companies with whom we share the costs of claims,
- the number of plan owners who give up their plans early,
- our expenses,
- inflation,
- investment returns,
- taxes, and
- the amount of money we need to hold as financial reserves.

When we review your payment, we will reassess these assumptions and consider whether the combined effect of changes to them has been better or worse than we had assumed. We will also assess what is likely to happen in future. We will then work out how, and if, the payment for the cover needs to be adjusted (either upwards or downwards) to take account of this.

While your revised payment will always fairly reflect the changes to the factors, it may be significantly greater than your original payment and there is no limit to how much the increase in payment may be.

Any change will take effect from the anniversary of the date the plan started and we will tell you at least one month before we make any change.

If any cover to which this applies is an increasing cover, section C2.5 will also apply to the payment for that cover.

SECTION C: Operating your protection plan – continued

C2.5 Increasing lump sum and increasing regular payments covers

On each anniversary of the date the plan started your payment for any increasing lump sum or increasing regular payments cover will increase. The amount of the increase will depend on:

- the amount of the increase in the amount of cover;
- the age of the person covered at the date of increase;
- the remaining term of the cover;
- the payment rate we charged at the date cover started;
- any additional payment you are making because your plan was not accepted on standard terms.

We will tell you how much the increase is at least one month before the increase takes place.

C3 Changing your plan

C3.1 Increasing cover

This only applies to any cover that is payable as an increasing lump sum or increasing regular payments.

On each anniversary of the date the plan started, the amount of cover will increase by the rate shown in the additional features.

If the additional features state that the amount of cover increases by the retail price index, this means the percentage increase in the United Kingdom Government's retail price index (or in the event of that index ceasing to be available, such other index as we reasonably determine to be equivalent) over the 12-month period ending 3 months before the anniversary of the date the plan started, subject to a minimum of 2% and a maximum of 10%.

If the date cover started is not the same day in the year as the date the plan started, the first increase will take place on the first anniversary of the date the plan started after this cover has been in force for 12 months.

We will write to you at least one month before the increase takes place to tell you how much the increase will be and how much your new payment will be. If you do not want your amount of cover to increase, you must tell us at least 5 days before the increase is due to take place and we will cancel the increase. If we cancel 2 consecutive increases no further increases will be offered.

If, as a result of an increase, the total amount of cover on all plans you have with us would be more than the maximum amounts shown below, your cover will not increase. We will tell you if this happens.

Maximum amounts

Life Cover – £15,000,000

Critical Illness Cover - £3,000,000

Life or Critical Illness Cover – £3,000,000

When working out your total amount of cover we include:

- all cover you have in this plan and any other plan you have with us;
- the current amount of any cover payable as a decreasing lump sum;
- the commuted value of any cover payable as regular payments. The commuted value is the amount we would pay you as a lump sum instead of regular payments, if you asked us to.

C3.2 Cover increase options

This only applies to any Life Cover, Life or Critical Illness Cover, Critical Illness Cover or Income Cover for Sickness if your plan was accepted on standard terms.

The person covered must be under 55 at the time of the increase. If there is more than one person covered, both of them must be under 55.

You must exercise these options within 3 months of each event happening.

We do not need any further medical evidence, but we will need to see evidence including financial evidence of the event.

These options do not apply to any cover or plan which was taken out under a cover increase option.

You cannot use these options if we told you the terms of your plan were non-standard, for example we increased your payment or applied an exclusion to your cover.

You cannot increase your cover using this option if we are currently paying a claim, considering a claim or the person covered has received a diagnosis or possible diagnosis from a member of the medical profession of a condition that would allow you to make a claim under this plan.

You cannot increase your cover using this option if you are not resident in the United Kingdom, Channel Islands or Isle of Man.

You cannot increase Income Cover for Sickness using this option within 12 months of us stopping paying a claim or if the person covered is incapacitated.

You can increase your cover following any of these events:

your marriage

you can increase by any amount within the limits below.

increasing your mortgage either to buy a new home or for home improvements

you can increase by the amount you increase your mortgage subject to the limits below.

the birth or adoption of a child

you can increase by any amount within the limits below.

You can increase your cover on more than one occasion but the maximum increase for each event is limited to whichever of the following amounts is lower:

- half of the original amount of cover; or
- £50,000 for all covers payable as a lump sum; or
- £3,000 a year for any Life Cover, Critical Illness Cover or Life or Critical Illness Cover payable as regular payments; or
- £8,000 a year for any Income Cover for Sickness payable as regular payments.

The maximum aggregate increase for all events is limited to whichever of the following amounts is lower:

- half of the original amount of cover; or
- £125,000 for all covers payable as a lump sum; or
- £8,000 a year for all covers payable as regular payments.

SECTION C:

Operating your protection plan – continued

C3.2 Cover increase options – continued

If you have more than one cover or more than one plan, these limits apply across all of those covers and plans and not separately to each of them.

If you increase Income Cover for Sickness using this option, it is further limited so that your total cover after the increase is not more than the lower of:

- the maximum percentage of pre-incapacity earnings shown on your cover summary; or
- the maximum amount of cover we allow at that time.

The increase in cover will:

- be on the terms and conditions that we offer at that time;
- have a term no longer than the remaining term of the original cover or shorter than the minimum term we offer for that cover at that time. If the remaining term of the original cover is less than the minimum, you will not be able to use this option; and
- include the same additional features, as the original cover.

We will base your payment for the new cover on:

- the terms which applied at the date the original cover started or at any subsequent restart under section C2.3;
- the age of the person covered at the date the increase in cover starts; and
- the payment rates and plan charge at the date the increase in cover starts.

C3.3 Joint life separation option

You can use this option if you and your partner have taken out your plan on a joint-life basis to cover your mortgage and you and your partner are the people covered. You can change your plan into 2 separate single life plans if you and your partner separate and as a result:

- you rearrange your mortgage to be in the name of you or your partner only; or
- either of you take out a new mortgage on a new house.

The new plans must begin within 3 months of the mortgage being rearranged or taken out, whichever is appropriate.

The cover for each person covered under the new plans must be the same as the cover each person had under the old plan.

The new cover will:

- be on the terms and conditions that we offered at the date the original cover started;
- have a term no longer than the remaining term of the original cover or shorter than the minimum term we offer for that cover at that time. If the remaining term of the original cover is less than the minimum, you will not be able to use this option;
- include the same additional features, extra payments or exclusions as the original cover; and
- have an amount of cover no more than the amount of the original cover at the date you request this option.

We will base the payment for the new cover on:

- the terms for the relevant person covered which applied at the date the original cover started or at any subsequent restart under section C2.3;
- the payment rates and plan charge at the date the original cover started; and
- the age of the relevant person covered at the date the original cover started.

We will need both you and your partner to agree to use this option and written confirmation from the lender that the mortgage has been rearranged or a copy of the new loan offer as evidence.

C3.3 Joint life separation option – continued

You must complete an application form which we will send to you and we may need to ask for further medical evidence. There will be times when we either cannot offer you this option or need to change the terms we offer because of the information on this form or the medical evidence we ask for. We will explain our decision to you if this is the case.

C3.4 Joint life reinstatement option

This only applies:

- to a cover when more than one person is covered; and
- we pay a claim for Life Cover, or for Critical Illness Cover, or for Life or Critical Illness Cover (the original cover).

In this situation, you may take out a new cover the same as the original cover.

This new cover will be for only the person covered on the original cover who was not the cause of the claim (the relevant person covered). They will have to agree to this new cover being taken out.

We will base the payment for the new cover on:

- the terms for the relevant person covered which applied at the date the original cover started or at any subsequent restart under section C2.3;
- the payment rates and plan charge at the date the original cover started; and
- the age of the relevant person covered at the date your new cover starts.

The new cover will:

- be on the terms and conditions that we offered at the date the original cover started;
- have a term no longer than the remaining term of the original cover or shorter than the minimum term we offer for that cover at that time. If the remaining term of the original cover is less than the minimum, you will not be able to use this option;
- include the same additional features, extra payments or exclusions as the original cover; and
- have an amount of cover no more than the amount of the original cover, at the date we paid the claim.

You must request this option within 3 months of the date we pay the claim under the original cover. You will not be covered until we accept your application to use this option.

You must complete an application form which we will send to you and we may need to ask for further medical evidence. There will be times when we either cannot offer you this option or need to change the terms we offer because of the information on this form or the evidence we ask for. We will explain our decision to you if this is the case.

This option may be used only once.

SECTION C:

Operating your protection plan – continued

C3.5 Life Cover reinstatement option

This only applies to Life or Critical Illness Cover if the additional features section of your cover summary says it is included.

12 months after we pay a claim as a result of a critical illness or Total Permanent Disability, you may take out a new Life Cover only on the life of the person covered who the claim was made for. If no cover remains under the original plan, you may take out a new plan.

The new cover will:

- be on the terms and conditions that we offer at that time;
- have a term no longer than the remaining term of the original cover or shorter than the minimum term we offer for that cover at that time. If the remaining term of the original cover is less than the minimum, you will not be able to use this option;
- include the same additional features, extra payments or exclusions as the original cover; and
- have an amount of cover no more than the amount of the original cover at the date we paid the claim, subject to a maximum of £500,000.

We will base your payment for the new cover on:

- the terms for the relevant person covered which applied at the date the original cover started or at any subsequent restart under section C2.3;
- the age of the person covered at the date the new cover starts; and
- the payment rates and plan charge at the date the new cover starts.

You must request this option within 3 months of the first anniversary of the date we paid the claim on the original cover.

C3.6 Lifestyle review

If any cover was accepted on non-standard terms or smoker rates were charged and the person covered makes a change to their lifestyle which reduces the likelihood of a claim, you can ask us to review your payments for that cover. For example, if the person covered was a smoker when the plan started and they give up smoking, you can ask us to review your payments. If we are able to, we will reduce your payments to reflect the new lifestyle of the person covered. However the cover will not include the cover increase options in section C3.2 if it was originally accepted on non-standard terms. There will be times when we are unable to reduce your payments even though the person covered has changed their lifestyle. We will explain our decision to you if this is the case.

C3.7 Changing your plan in other ways

You can ask us to change your plan in other ways at any time. For example you may want to add a new cover or reduce an existing cover. If none of the options in sections C3.1 to C3.5 apply we may need to ask the person covered for new medical evidence. We will tell you what we need when you tell us how you want to change your plan.

You cannot add a new cover or increase an existing cover if you are no longer resident in the United Kingdom, Jersey, Guernsey or Isle of Man.

C4 General terms and conditions

C4.1 Source of covers

This plan is issued out of our Ordinary Long-Term Business Fund but is not eligible to participate in the profits of that fund or any other funds.

C4.2 Membership of Royal London

This plan does not entitle you to membership of The Royal London Mutual Insurance Society Limited.

C4.3 Cancelling your plan

When your plan starts you have the right to change your mind and cancel your plan. You have 30 days from the date you receive your cover summary and plan details to cancel your plan. If you cancel your plan in this time we will refund any payments you have made to us. If you change your mind and want to cancel your plan you can do this by giving written notice to us at Bright Grey.

You may cancel your plan at any other time by giving written notice to us at Bright Grey. You should also contact your bank to cancel your direct debit instruction.

If you cancel, your plan will end on the day your next payment would otherwise be payable, and we will not refund any payments you have made to us. You will therefore still be covered by your plan until this date. This means that although you have asked us to cancel your plan, you may need to make a final payment to us if you have asked us to collect your payments on a different day to that on which they become payable.

For example if,

- your plan started on 1 February,
- you ask us to collect your payments on the 15th day of each month, and
- you ask us to cancel your plan on 10 April,

then,

- you must make the payment due on 1 April because this became payable before you asked us to cancel your plan,
- we will collect this on 15 April because you have asked us to collect your payments on that day, and
- we will cancel your plan on 1 May because this is the first day on which a payment would otherwise have been payable.

If you do not make your final payment,

- we will cancel your plan from the date the final payment was payable,
- you will not be covered from that date, and
- we will not pay any claim under your plan.

If you cancel, we will tell you whether you need to make a final payment to us and the date on which your cover will end.

C4.4 Cash value

The plan does not have any cash value at any time.

C4.5 Payment of claims

We will pay all claims by direct credit to a bank account or another method we agree with you.

SECTION C: Operating your protection plan – continued

C4.6 Interest

We will pay interest if payment of any claim is delayed by more than 2 calendar months after the claim event. The rate of interest shall be reasonably determined by Royal London on receiving advice from an actuary responsible for advising the directors of Royal London on discretionary or technical aspects of the management of its long-term insurance business.

C4.7 Exercise of Discretion

We will act reasonably and in good faith when exercising our discretion to make decisions that relate to your plan.

C4.8 Data protection

We (The Royal London Mutual Insurance Society Limited and our businesses and divisions of which Bright Grey is one) will use your personal information for:

We may share information about you with your approved intermediary for research and analysis to enable us to better target our products and services. We will not share this information if you ask us not to on the application form for your plan.

We may contact you by mail, telephone, fax, email or other electronic messaging either directly or via your approved intermediary with further offers, promotions and information about our products and services that may be relevant to you. We will not do this where you have indicated on your application form for your plan that you do not wish to receive these communications.

To help us to make credit decisions about you, to prevent fraud, to check your identity and to prevent money laundering, we may search the files of credit reference agencies who will record any credit searches on your file. We may also disclose details of how you conduct your account to such agencies. The information will be used by other credit grantors for making credit decisions about you and the people with whom you are financially associated, for fraud prevention, money laundering prevention and occasionally for tracing debtors.

We may monitor and record telephone calls and retain these for the purposes of training and quality assurance and to ensure that we have an accurate record of your instructions.

C4.8 Data protection – continued

If you provide us with information about another person, you confirm that they have appointed you to act for them to consent to the processing of their personal data and that you have informed them of our identity and the purposes (as set out above) for which their personal data will be processed.

You have the right to ask for a copy of the information that we hold on you, for which we are entitled to charge a small administrative fee.

C4.9 When we may change the terms and conditions applying to your plan

C4.9.1 We may make changes to the terms and conditions applying to your plan in the circumstances set out in sections C4.9.2 to C4.9.5 below. We will, where appropriate, take account of actuarial advice when we do so.

We will normally give you 90 days written notice of a change. This may not be possible for changes which are outside our control. We will give you as much notice as we can in such circumstances.

C4.9.2 We may make changes to the terms and conditions applying to your plan that we reasonably consider are proportionate in the circumstances if, because of a change in legislation, regulation or established practice in relation to such legislation or regulations:

- it becomes impracticable or impossible to give full effect to the terms and conditions applying to your plan;
- failing to make the change could, in our reasonable opinion, result in our policyholders not being treated fairly; or
- the way that we are taxed or the way that your plan is taxed is changed.

C4.9.3 We may make changes to the terms and conditions applying to your plan that we reasonably consider are proportionate in the circumstances if because of any relevant change or circumstance beyond our control:

- it becomes impracticable or impossible to give full effect to the terms and conditions applying to your plan;
- failing to make the change could, in our reasonable opinion, result in our policyholders not being treated fairly; or
- the way that we are taxed or the way that your plan is taxed is changed.

SECTION C: Operating your protection plan – continued

C4.9.4 We may make changes to the terms and conditions applying to your plan that we reasonably consider won't adversely affect you. These may include, for example, changes which are required in order to reflect new services or features that we wish to make available to you.

C4.9.5 We may make changes to the terms and conditions applying to your plan if we become aware of any error or omission in this plan details booklet. We will only make such changes to bring the plan details booklet into line with your cover summary or the key facts document relevant to your plan.

C4.10 Contract

The contract between you and Royal London consists of these terms and conditions, which we may amend as we reasonably consider is proportionate in the circumstances in accordance with sections C2 and C3 and clause C4.9, any additional terms and conditions detailed in the cover summary, key facts document we send to you when your plan starts and any endorsement. Where there is a conflict between these terms and any of the terms set out in the cover summary, those terms set out in the cover summary will prevail.

C4.11 Mis-statement of age

If when you took out your plan we were told the person covered is older than they really are we will reduce the payments to the amount that would have been charged if we had been told their correct age and refund any overpayment that has been made.

If when you took out your plan we were told the person covered is younger than they really are, we will reduce the amount of cover to the amount that would have been available if we had been told their correct age. This means that, on a claim, we will pay an amount which is lower than the amount shown on your cover summary.

C4.12 Change of occupation

You do not need to tell us if the person covered changes their occupation. We will assess any claim based on their occupation immediately before the claim event happens.

C4.13 Complaints

We hope that you will never have reason to complain, but if you do, you can write to our Customer Care Team at:

We can provide you with more information about our complaint handling procedures on request.

We are committed to resolving complaints whenever possible through our complaints procedures. If a matter cannot be resolved satisfactorily you may be able to refer your complaint to the Financial Ombudsman Service.

They can decide if we have acted wrongly and if you have lost out as a result. If this is the case they will tell us how to put things right and whether this involves compensation.

Their service is independent, free of charge and we will always abide by their decision.

If you make a complaint, it will not affect your right to take legal proceedings.

C4.14 If we cannot meet our liabilities

Your plan is covered by the Financial Services Compensation Scheme. You may be entitled to compensation if we are unable to pay claims due to, for example, insolvency. This depends on the type of business and the circumstances of the claim. Further information about compensation scheme arrangements is available from the Financial Services Compensation Scheme.

C4.15 Law

The Law of England and Wales applies to this plan.

C4.16 Notices of assignment

If you assign any of your legal rights under the plan to someone else, we must see notice of the assignment. This notice must be sent to:

An assignment could take place when you are using the plan as security for a loan or the plan is put under trust.

C4.17 Rights of third parties

No term of this contract is enforceable under the Contracts (Rights of Third Parties) Act 1999 by a person who is not party to this contract but this does not affect any right or remedy of a third party which may exist or be available otherwise than under that Act.
